

1 Shift-I™ Installation Guide for CBR600RR 2005

Written by Josh (sifakas)

1.1 Remove Top Fairing

Removing the top fairing make it easier to get to the wires.

1.2 Attached Wires

Shift-I Black --> Bike's **Green**

Shift-I Black/**Red** --> Bike's Black/Brown

Shift-I Black/**Blue** --> Bike's **Yellow/Green**

1.3 Mounting the Shift-I™ to the Dash

Made a small bracket to mount Shift-I on, attached with double sided tape.
